

RAO MOHAR SINGH MEMORIAL SR. SEC. PUBLIC SCHOOL

WINTER VACATION HOLIDAY HOMEWORK

CLASS -3

A vibrant illustration of a winter night scene. The sky is a mix of deep blue and purple, with numerous white stars and snowflakes falling. In the foreground, there are several snow-covered evergreen trees. In the middle ground, there are three wooden houses with snow on their roofs. The houses have warm yellow lights glowing from their windows and doors. One house has a red door with a white wreath. The overall atmosphere is cozy and festive.

Holiday Homework**

SUBJECT – ENGLISH

NAME : _____

CLASS: _____

ROLL NO. : _____

REMEMBER

- * Neatness and hygiene are part of your routine.
- * Holidays homework is a part of subject enrichment and will be assessed on the basis of creativity and efforts of the students.
- * It's a perfect time to enhance your speaking skills and vocabulary by conversing in English with your family and siblings.
- * Reading is essential for those who seek to rise above the ordinary. Spend your quality time with reading purposeful books.
- * A beautiful handwriting makes a good impression. Practice one page of English and Hindi writing daily.
- * Schedule your time for activities so that there is no piling up for the last moment.
- * Holiday homework should be your authentic creative work.
- * The marks of holiday homework will be included in your Term-2 exam. Kindly deposit the holiday homework

READING SECTION

Q1. Read the passage carefully and answer the questions that follow:

Riya woke up early in the morning. The sky was cloudy and the wind was cool. She helped her mother water the plants and feed the birds. After breakfast, Riya sat near the window and read her favourite storybook. She felt happy spending time at home and learning new things every day.

Answer the following:

1. Who woke up early in the morning?
2. How was the weather?
3. Whom did Riya help?
4. What did she do after breakfast?
5. How did Riya feel?

Q2. Read the passage carefully and answer the questions that follow:

Reading is one of the most powerful habits a person can develop. It opens the mind to new ideas, enhances imagination, and improves language skills. People who read regularly are often better at expressing their thoughts clearly. Books can take us to different worlds, teach us about history, and even help us understand people better. In today's digital age, reading printed books might seem old-fashioned, but it remains one of the most effective ways to learn and grow.

Questions:

1. What are two benefits of reading mentioned in the passage?
2. Why might reading books seem old-fashioned today?
3. Choose the correct answer:
 - a) Reading limits imagination
 - b) Reading improves language skills
 - c) Reading wastes time
4. Find a synonym of "effective" from the passage.
5. What message does the passage convey?

WRITING SECTION

Q2. Essay Writing

Write a short essay on "My Favourite Animal" (60-80 Words).

B. Letter Writing

1. Write a letter to your friend inviting him/her to your birthday party.
2. Write an application to principal for taking a leave for urgent piece of work at home.

Q3. Story Composition

Look at the hints and write a short story (60-70 words)

Hints:

A lost puppy – raining day – kind boy – helped the puppy – happy ending.

Maths

Q1. Multiple Choice Questions (MCQs) –

- I. Which unit is used to measure capacity?
a) Meter b) Litre c) Gram d) Hour
- II. Which container can hold more water?
a) Cup b) Bucket c) Spoon d) Glass
- III. How many minutes make one hour?
a) 30 b) 24 c) 60 d) 100
- IV. How many days are there in a week?
a) 5 b) 6 c) 7 d) 8
- V. Which month comes after March?
a) February b) April c) May d) June

Q2. Fill in the Blanks –

- a) Capacity is measured in _____.
- b) One hour has _____ minutes.
- c) There are _____ months in a year.
- d) Milk is usually measured in _____.
- e) Sunday comes after _____.

Q3.. True or False –

- a) A litre is used to measure water and milk.
- b) One day has 12 hours.
- c) A week has 7 days.
- d) February always has 30 days.
- e) A clock is used to tell time.

Q4. Short Answer Questions –

- a) What unit is used to measure capacity?

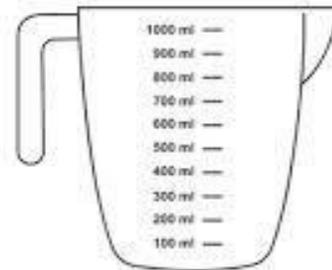

- b) Name any one container used to hold water.
- c) How many minutes are there in one hour?
- d) How many days are there in a week?
- e) Name any two months of the year.

Q5. Long Answer Questions –

- a) Write the names of all the days of the week.
- b) Write the names of all the months of the year.

Q6. Diagram-Based Questions –

- a) Look at a **measuring jar** and label:
 - I. Litre
 - II. Half litre

Q7. Write the time in numbers and in words

Case study based questions

Q8. Case Study 1: Symmetry in the Garden

Riya went to a garden and saw a **butterfly**. She noticed that the left side of the butterfly looks exactly the same as the right side.

Questions:

1. What is this type of balance called in shapes?
2. Does the butterfly have **one line of symmetry** or **no line of symmetry**?
3. If you fold the butterfly in the middle, will both sides match?
4. Name **one more object** you see around you that has symmetry.

Q9. Case Study 2: Pictograph of Favourite Fruits

A class made a pictograph showing students' favourite fruits.

Key:

 = 2 students

 → Apples

 → Bananas

 → Oranges

Questions:

1. How many students like **apples**?
2. Which fruit is liked by the **most students**?
3. How many students like **bananas**?
4. How many students are there in total?

Q10. Case Study–Based Question: Symmetry

Aarav is arranging tiles on the floor. He places red squares on one side and blue squares on the other side of a straight line.

He notices that both sides look exactly the same.

■ ■ | ■ ■

■ ■ | ■ ■

(The line in the middle shows symmetry.)

Questions:

1. What do we call the middle line that divides the tiles into two equal parts?
2. Count the total number of squares on one side of the line.
3. Is the design symmetrical? (Yes / No)
4. Write the name of one symmetrical object you see at home.

Q1 MCQ

a) Our environment is made dirty by _____

i) nature ii) our actions

b) Air pollution causes cough ,nausea and _____

i) cholera. ii)eye irritation

Q2 fill in the blanks

a). The shape of the earth is a _____

b) Honking of horns is a form of _____ pollution.

Q3 Short Question–Answers

a) .what are the rings around Saturn made of ?

b) . What living beings need to survive?

Q4 Long Question Answer

a) List the factors that cause air pollution .

Q.5. Case Study

Read the paragraph below and answer the following questions given.

Rohan is a Class 3 student who loves learning about India. In his school, he learned about **national leaders** and **national symbols**. He learned that **Mahatma Gandhi** is called the *Father of the Nation*

because he led India to freedom through truth and non-violence. **Jawaharlal Nehru** was India's first Prime Minister and loved children very much

Rohan also learned about national symbols. The **National Flag** has three colours—saffron, white, and green—with the **Ashoka Chakra** in the center. The **National Animal** of India is the tiger, which shows strength. The **National Bird** is the peacock, known for its beauty.

Rohan feels proud of his country when he sees the national flag and remembers the sacrifices made by our national leaders. He believes we should respect our leaders and national symbols.

Answer the questions given below

1. Who is called the Father of the Nation?
2. Why is Mahatma Gandhi called the Father of the Nation?
3. Who was India's first Prime Minister?
4. Name the three colours of the National Flag.
5. What is found in the center of the National Flag?
6. Which animal is the National Animal of India?
7. Which bird is the National Bird of India?
8. How does Rohan feel when he sees the National Flag?

Q.6 Model Making

Make a model of a windmill

The following instructions will help you

Materials needed:

- Chart paper
- Straw or stick
- Pin
- Cardboard base

How to make:

1. Cut four paper blades.
2. Fix them with a pin to a straw.
3. Stand it on a cardboard base.
4. Draw trees and clouds.

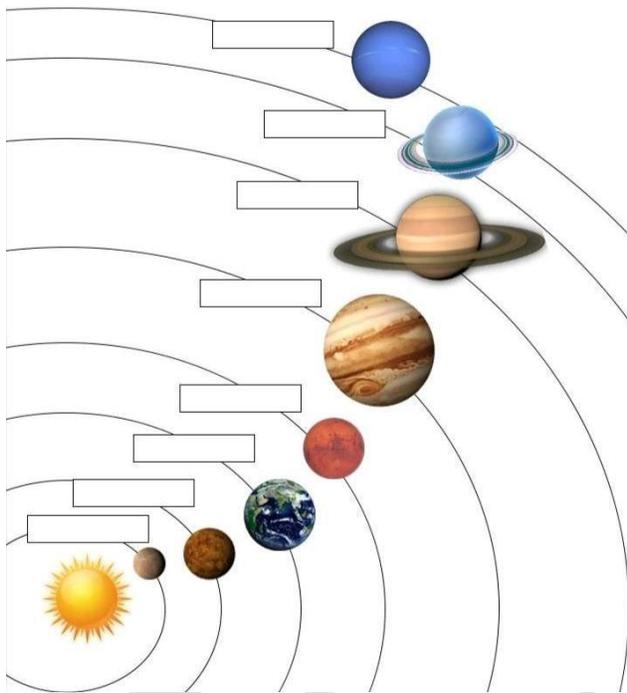

Explain:

Wind moves the windmill and produces energy.

Q.7 Learn and write atleast 50 new words from your Social Studies Book and write them in your notebook.

Q8 Make a chart on some of* The Great Leaders of Freedom Struggle* which are not mentioned in the chapter in your book .Paste their pictures along with some of their contributions .

Q.9 Label the picture give below

Q.10 Map Work

On the political map of India point and locate the following.

- a) The capital of India
- b) The smallest state
- c) Indian Ocean
- d) Arabian Sea
- e) Bay of Bengal
- f) Uttar Pradesh
- g) Haryana
- h) Rajasthan.

SUBJECT -Gk
