

A vibrant illustration of a winter night. The scene is set in a snowy landscape with several houses. The houses have snow-laden roofs and glowing windows, suggesting a warm interior. The sky is a deep blue and purple, filled with falling snow and stars. Bare trees and evergreens are scattered throughout the scene, some covered in snow. The overall atmosphere is peaceful and festive.

Q6 Addition and subtraction on Number line

Find the difference using the number line.

$7 - 2 = \square$  A horizontal number line with arrows at both ends, marked with integers from 0 to 10.

$5 - 3 = \square$  A horizontal number line with arrows at both ends, marked with integers from 0 to 10.

$6 - 1 = \square$  A horizontal number line with arrows at both ends, marked with integers from 0 to 10.

$9 - 2 = \square$  A horizontal number line with arrows at both ends, marked with integers from 0 to 10.

$6 - 4 = \square$  A horizontal number line with arrows at both ends, marked with integers from 0 to 10.

$2 - 2 = \square$  A horizontal number line with arrows at both ends, marked with integers from 0 to 10.

Find the sum using the number line.

$5 + 3 = \square$  

$1 + 2 = \square$  

$7 + 1 = \square$  

$4 + 4 = \square$  

$6 + 2 = \square$  

$3 + 7 = \square$
